CONFERENCE ANNOUNCEMENT & CALL FOR PAPERS

The Uganda Society

Regional Conference for Universities and Research Institutions in Africa

THEME: The Role of Research and Technology in the Attainment of the Millennium Development Goals

HOSTS: Kyambogo University, Makerere University, Nkumba University, KIU, Uganda Society, Uganda Museum & Uganda Christian University

CONFERENCE OBJECTIVES
Uganda Society and its development partners have decided to hold a conference based on the following objectives, among others:
1. To bring together scholars, researchers and managers of tertiary and research institutions in Africa to share experiences and projections on the role of these institutions in the attainment of the MDGs.
2. To initiate new and strengthen existing collaborative research activities between the universities and other stakeholders for the attainment of the MDGs.
3. To develop a plan of action for the universities and research institutions contribution towards the attainment of the MDGs.

The Conference Secretariat is inviting papers that address any of these eight MDGs:
1. Eradicating extreme poverty and hunger;
2. Achieving universal primary education;
3. Promoting gender equality and empowering women;
4. Reducing child mortality;
5. Improving maternal health;
6. Combating HIV/AIDS, malaria and other diseases;
7. Ensuring environmental sustainability, and;
8. Developing a global partnership for development
